REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application was filed on March 25, 2003 as a national phase application of PCT/DK2003/000198. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application No. PA 2002 00534 filed on April 10, 2002 and U.S. provisional application no. 60/373,859 filed on April 19, 2002. Furthermore, the Declaration and Power of Attorney which was signed by the inventors appoints the practitioners at Customer Number 25908 as their attorneys.

The filing receipt received by Applicants contains the following errors:

1. In the Power of Attorney section, the only attorney identified is Elias Lambiris, not all of the attorneys at customer number 25908;
2. In the domestic priority data, the U.S. provisional application is omitted; and
3. In the foreign applications section, the foreign application is stated to be filed in Panama not Denmark

Applicants therefore request the issuance of a corrected filing receipt with complete domestic and foreign priority data and a complete power of attorney section.

Applicants submit that the errors were the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: March 5, 2008
